

These are the same mounts already included with most HERO and HD HERO cameras. This package includes five flat, 3M[®] adhesive mounts. 3M's innovative VHB 4991 adhesive backing ensures the mounts stay put, but can be cleanly removed when heat (eg. from a hairdryer) is applied.

What's Included:

- 5 Flat, 3M Adhesive Mounts
- Warranty: One Year

Videos Model Number: AAFLT-001

Construction: polycarbonate

Adhesive: 3M VHB 4991 double-sided strips
