

The Ride HERO is a tube clamp for mounting your quick-release GoPro camera on to bicycle handlebars, seatposts, frames or any pole ranging from 0.75 " to 1.4 " (1.9cm - 3.5cm) in diameter.

You can also clamp to chainstays, small roll bars, bolt-heads, windsurfing and kitesurfing control bars, or even use to create a handheld boom – any pole that is in the size range above.

Comes with pivoting orientation arms allowing for 3-way adjustability, ensuring you can get the angle you want.

Compatible with all GoPro quick-release cameras including the Helmet HERO Wide, Motorsports HERO Wide, Motorsports HERO, Surf HERO, and WIDE HERO cameras. Not compatible with the Digital HERO 5 Wrist Camera.
